Re: ***GET Engineering Corp., El Cajon, California***

Dear Ms. Kessmeier:

This is to notify you that GET Engineering, Corp. (GET) has retained Devaney Pate Morris & Cameron LLP to represent it concerning the matters raised in your undated letter received by GET via Certified Mail on January 13, 2017 and in your meeting with Ms. Leslie Adams on April 11, 2017. I will be directly involved in working with GET to address your concerns.

It is my understanding that you intend to provide an email to Ms. Adams outlining what you expect from GET. I request that you include me on any correspondence so that I may provide the appropriate advice and assistance in resolving these issues. It is GET's intention to cooperate fully and transparently to bring these matters to a conclusion that fully addresses the Navy's concerns.

I assure you that we will give this matter our utmost attention. It is my intention to work with GET to develop a plan that appropriately addresses your concerns. If you have any questions, please call.

In order to expedite delivery to you, I am sending this letter through the email address for Philip Hadji which was provided to me by Ms. Adams.

Very truly yours,
